

## TOXIN TAKEDOWN CHECKLIST

- I drink only filtered water.
- I switched from plastic water bottles to glass and stainless steel.
- I eat mostly organic food (using the Dirty Dozen / Clean Fifteen guidelines).
- I cut out most processed foods.
- I no longer store or heat leftovers in plastic.
- I only cook in cast-iron, stainless steel, or enamel pots and pans.
- I read labels to see what chemicals lurk in my personal care products.
- I take off my shoes when I enter my home.
- I open my windows to freshen my home.
- I avoid putting chemical fertilizer on my lawn.
- I always use an earpiece with my cell phone.
